Mbition LLC does not discriminate based on race, sex, religion, ethnic origin, or disability. Prospective students may enroll anytime. There are no prerequisites for enrollment.

It is advisable to contact your state's Appraisal Board, Real Estate Commission or Financial Services Board for information specific to becoming an appraiser or real estate agent in your state.

Students may enroll in our courses at any time by going to mbitiontolearn.com or by calling our enrollment office at [800-532-7649](tel:800-532-7649). Our enrollment policy allows students 180 days to complete the course and applicable exam with the option to purchase additional time (unless it is not permissible by your state licensing board). Extensions may be purchased in monthly increments for \$50. Students must complete all coursework within one year of enrollment. If for any reason a student must retake the course, the re-enrollment fee is 50% off the original course cost. All students must be at least 18 years of age and have either a high school diploma or its equivalent in order to receive credit for our courses. Please note that some states have shorter lengths of time available to complete courses. Contact your state licensing board to ensure that you have the most up-to-date information.

Terms of Agreement

1. Mbition LLC offers several payment options and tuition is required in full prior to the start of any program. Tuition may be paid by check (enrollment would occur upon receipt of your check – we cannot accept checks by phone), or by Visa, MasterCard, American Express, or Discover (credit or debit cards can be processed over the phone or online and enrollment would occur immediately when payment by card is processed).
2. Mbition LLC, in general, does not guarantee job placement. We make no claim that the award of its certificate entitles the student to any job placement or salary consideration by either the school or any potential.
3. I understand that courses are Internet based and conducted on an independent study basis and I may continue my enrollment for a period of 180 days (approximately 6 months). I understand that I can purchase up to three 90-day course extensions after the initial enrollment period. However, for tuition refund purposes the period of enrollment is 6 months and the following charges will apply:
 1. If I withdraw within the 6 months of enrolling I will be charged for the actual lessons completed. For refund calculation purposes, I must provide evidence of the number of lessons completed.
 2. If I fail to notify the school that I am withdrawing within 6 months of enrolling I understand that I shall be charged for the total number of contracted lessons and lesson materials.
4. To complete the program, I must clock the required number of instructional hours and complete all required quizzes and final exams (if applicable).

Students not accepted to the school are entitled to all moneys paid. Students who cancel this contract by notifying the school within three (3) business days are entitled to a full refund of all tuition and fees paid. Students, who withdraw after three (3) business days, but before commencement of classes, are entitled to a full refund of all tuition and fees paid except the maximum cancellation charge of \$150.00 or 25% of the contract price, whichever is less. In the case of students withdrawing after commencement of classes, the school will retain a cancellation charge plus a percentage of tuition and fees, which is based on the percentage of contact hours attended, as described in the table below. The refund is based on the official date of termination or withdrawal.

1. The student may cancel this contract at any time prior to midnight of the third business day after signing this contract.
2. All refunds will be made within 30 days from the date of termination. The official date of termination or withdrawal of a student shall be determined in the following manner:
 - a. The date on which the school receives written notice of the student’s intention to discontinue the training program; or
 - b. The date on which the student violates published school policy, which provides for termination.

- c. Should a student fail to return from an excused leave of absence, the effective date of termination for a student on an extended leave of absence or a leave of absence is the earlier of the date the school determines the student is not returning or the day following the expected return date.
- 3. The student will receive a full refund of tuition and fees paid if the school discontinues a Program/Stand-Alone course within a period a student could have reasonably completed it, except that this provision shall not apply in the event the school ceases operation.

Course Cost = Cancellation Fee

\$35 - \$75 = \$5	\$376 - \$475 = \$55	\$776 - \$875 = \$115
\$76 - \$175 = \$10	\$476 - \$575 = \$70	\$876 - \$975 = \$130
\$176 - \$275 = \$25	\$576 - \$675 = \$85	\$976 - \$1075 = \$145
\$276 - \$375 = \$40	\$676 - \$775 = \$100	

- 1. Acceptance of credit from another school shall not impact the refund policy.
- 2. The Policy for granting credit for previous training shall not impact the refund policy.
- 3. Postponement of a start date, whether at the request of the school or the student, requires a written agreement signed by the student and the school. The agreement must set forth an agreed upon extended period in which the student is allowed to complete the coursework. The refund policy as set forth from the purchase date of program does not change as a result of the extension of time to complete the program.
- 4. A student shall receive a full refund if he or she is not accepted by the school or if the education service is discontinued by the school, except if the school ceases operation, provides a refund within 30 days of termination/withdrawal.

- 6. If the school cancels or changes a course of study or location in such a way that the student who has started is unable to complete training, arrangements will be made in a timely manner to accommodate the needs of each student enrolled in the course who is affected by the cancellation or change. If the school is unable to make alternative arrangements that are satisfactory to both parties, the school will refund all monies paid by the student of the course.
