Enrollment and Fees

Mbition LLC does not discriminate based on race, sex, religion, ethnic origin, or disability.
Prospective students may enroll anytime. There are no prerequisites for enrollment.

It is advisable to contact your state's Appraisal Board, Real Estate Commission or Financial Services Board for information specific to becoming an appraiser or real estate agent in your state.
For this on-line program, all students must complete the enrollment agreement form and fax to us at 770-919-9979 along with a copy of either your birth certificate or a valid driver's license/state identification card prior to starting the course. Programs are accessible to you at any time within the enrollment period. Upon enrolling in the course, you will have 180 days to complete the course and applicable exams, with the ability to purchase extensions up to an additional 180 days. As our courses are taught via distance education, students do not have the calendar constraints common to in-class courses such as program start/end dates and beginning/end dates for terms.

Please note that courses are closed book/note

Attendance Policy

To receive credit for a course, you must complete 100% of it and pass the final exam. Under no circumstances will you receive any credit for courses in which you completed less than 100% of the lessons and/or failed the final exam. We do not have a leave of absence policy or probationary period.

Information on the final exam requirements may be found on the course instruction page under the course document tab. All prelicensing and qualifying courses require a final exam. However, for continuing education courses, final exam requirements vary by state. Information on final exam requirements may be found on the course instruction page under the course document tab.

Terms of Agreement

1. Mbition LLC offers several payment options and tuition is required in full prior to the start of any program. Tuition may be paid by check (enrollment would occur upon receipt of your check – we cannot accept checks by phone), or by Visa, MasterCard, American Express, or Discover (credit or debit cards can be processed over the phone or online and enrollment would occur immediately when payment by card is processed).
2. I understand that courses are Internet based and conducted on an independent study basis and I may continue my enrollment for a period of 180 days (approximately 6 months). I understand that I can purchase up to three 90-day course extensions after the initial enrollment period. However, for tuition refund purposes the period of enrollment is 6 months and the following charges will apply:
 1. If I withdraw within the 6 months of enrolling I will be charged for the actual lessons completed. For refund calculation purposes, I must provide evidence of the number of lessons completed.
 2. If I fail to notify the school that I am withdrawing within 6 months of enrolling I understand that I shall be charged for the total number of contracted lessons and lesson materials.
3. To complete the program, I must clock the required number of instructional hours and complete all required quizzes and final exams (if applicable).
