Mbition Learn Real Estate does not grant credit for previous education and training. Also, Mbition Learn Real Estate does not guarantee the transferability of its credits to any other educational institution. Transferability is up to the receiving institution.

REQUIREMENTS FOR COMPLETING THE COURSE

Please refer to the directions on your course home page for specific instructions regarding completion of your course and the "Introduction" lesson located at the beginning of each course. To complete the course and receive your certificate, you must successfully:

- Complete all instructional lessons in the course by answering each question correctly at least twice before a prescribed time limit expires
- Return a signed and dated student affidavit to Mbition Learn Real Estate when the course is complete

The Student Affidavit is a signed document on which you certify that you have personally completed each lesson of instruction. Click on that link to obtain a copy of the Student Affidavit.)

EXAMINATION AND GRADING POLICY

Mbition Learn Real Estate offers qualifying (appraisal), prelicense (real estate), and continuing education appraisal and real estate courses. All qualifying and prelicense courses require an examination upon completion of the course lessons. You must correctly answer at least 75% of the questions to pass the course. All exams are taken online. If you fail the first exam, you may schedule a second exam no sooner than the next day. Should you fail both exams, you must re-register and repeat the course from the beginning before taking the final exam again. A discounted re-enrollment fee will be charged.

PROCESSING TIMES

After you have completed all of the lessons on the computer, you must allow the following times for processing to complete the course and receive your completion certificate:

- grading exam and issuing course completion certificate 3 business days
- scheduling a retake final exam (if applicable) 3 business days
- receiving the course completion certificate by U.S. Mail 3 days (estimated)

Important Notes:

- A. “Issuing” a course completion certificate means that we will place it in the U.S. mail.
- B. The minimum time you should allow between taking the exam and receiving your course completion certificate is approximately nine business days (depending on mailing time).
- C. We must receive your signed Student Affidavit, which is available on your course home page, before we can issue a course completion certificate.
- D. In the event the certificate is lost, you may obtain a duplicate from the Mbition Learn Real Estate offices by written request. An administrative fee of \$10 must accompany the written request.

HOW COURSES MONITOR YOUR PROGRESS

Mbition Learn Real Estate’s innovative approach is entirely user-driven with a platform that allows learners to progress at their own pace. Learners range from beginners who want to build on their training to veterans who would like a refresher course in best practices. Mbition Learn Real Estate sets the industry standard for continuing education and licensure with more than 650,000 real estate professionals beginning their careers or strengthening them using Mbition learning modules, all of which are online.

Mbition Learn Real Estate’s learning management system (LMS), emphasizes teaching to mastery and fluency and giving the learner dynamic control of the learning process. Each module:

1. begins by stating the learning objectives for that specific module
2. frequently assesses with multiple choice questions the extent to which the learner has absorbed the material and met the stated learning objectives
3. offers remediation for any items not yet mastered
4. continues remediation until the learner can demonstrate mastery of all items in the instructional content for that module

No module may be completed until the stated learning objectives have been met so the learner must satisfy preset criteria for fluency and mastery. Actual performance is frequently compared to desired performance, which is another way of describing “mastery of the content.” Thus, the learning objectives — the structured process guiding the learner’s progress — and the preset criteria collectively constitute an integrated learning system that leads to mastery. The process becomes one of “TEACHING TO mastery” rather than simply “TESTING FOR mastery.”

Re-examination Policy: In the event you do not pass the online final exam, please contact Mbition Learn Real Estate by calling 800-532-7649 or emailing support@mbitiontolearn.com to schedule a retake.

NON-DISCRIMINATION POLICY

Mbition Learn Real Estate does not discriminate on the basis of race, color, sex, religion, national origin, disability, or familial status in the establishment of fees, entrance qualifications, or standards for successful completion of any course.

ATTENDANCE POLICY

To receive credit for a course, you must complete 100% of it and pass the final exam. Under no circumstances will you receive any credit for courses in which you completed less than 100% of the lessons and/or failed the final exam. We do not have a leave of absence policy or probationary period.

Information on the final exam requirements may be found on the course instruction page under the course document tab. All prelicensing and qualifying courses require a final exam. However, for continuing education courses, final exam requirements vary by state. Information on final exam requirements may be found on the course instruction page under the course document tab.

EXTENSION POLICY

Because our distance education courses are delivered via the Internet, Mbition Learn Real Estate does not have an attendance policy. However, if the course is not completed within 180 days, you may purchase an extension of 60 days (effective from the course expiration date). Contact Mbition Learn Real Estate at 800-532-7649 to purchase an extension. A maximum of three extensions may be purchased for one course.
